

Pink to last

AURORA FLAMINGO PINK

Product Information

POWERFUL PINK COLOR, NO FADING

Deep flamingo pink pearlescence
with hiding effect

It adds **luxurious and powerful glow** at your application for the perfect look. Aurora Flamingo Pink is the perfect choice to create maximum color and chroma.

A new coating technology will **avoid any fading by UV-light**. Your eye shadows, lip sticks and other applications keep its pink appearance and an intense luster effect.

Flamingo Pink is based on Synthetic Mica (Fluorophlogopite), which exhibits and support the pureness of color, brightness and reflection power. With a very low heavy metal content it is perfectly **suitable for all cosmetic applications**.
