

Divine Gold

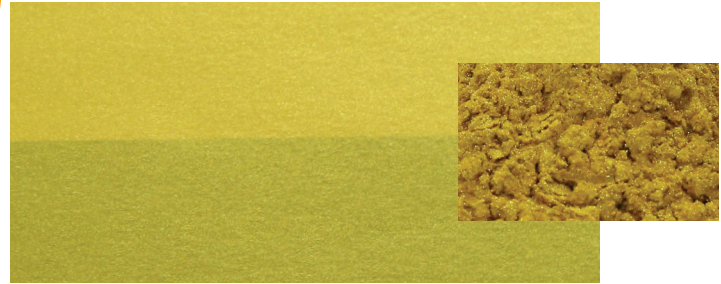

COSPEARL

ATHENIAN GOLD

Product Information

THE GOLD OF GREEK MYTHOLOGY

Legendary Beauty

CosPearl Athenian Gold creates an **intense sheen of divine gold** familiar to us from Antiquity. It is associated with the power of the sun and adds **richness, warmth, and luxury.**

An irresistible radiance emanates from this versatile gold pigment. It features a particularly **rich, even hue** and **excellent coverage** to transform your formulations into highly effective color cosmetics or personal care products.

Based on **natural mica**, Athenian Gold creates scintillating gold accents that truly catch the eye. Whether used on its own or mixed with other colors, it adds a warm glowing gold shimmer to any cosmetic application.

COSPEARL ATHENIAN GOLD

Optical Features	Special Product Features
A warm rich gold with a lustrous and enticing pearlescent effect	This pure glowing gold pigment has everything it takes for high-end cosmetics
Enhanced with a subtle tint of yellow-orange amber	Fantastic shimmering gold to create the perfect illusion for radiant eyes, magic lips, and glamorous skin care
Exudes an even veil of shimmering gold with excellent coverage	Whether alone or in combination with other effect pigments, it allows for the creation of numerous color shades and results in superior shimmering highlights
